Re-Accreditation as an EAPTI for further 7 years

Dear colleagues,

At first we would like to thank you for your active participation in the re-accreditation process of your EAPTI status, which has to be followed by each accredited EAPTI every 7 years according to the TAC procedures for EAPTI re-accreditation.

After a careful checking by the EAP Registrar and TAC chair, your EAPTI re-accreditation was discussed in detail by the Training Accrediting Committee (TAC) of the EAP, which decides by majority of votes for the re-accreditation.

We have the pleasure to inform you that your institute, the

**Institute of Mental Health (IMH) of Belgrade –
Department for Marriage and Family**

has been successfully *re-accredited as an European Accredited Psychotherapy Training Institute (EAPTI) for further 7 years* by the *Training Accrediting Committee (TAC)* on October 14th, 2011.

We wish you a prosperous future and all the best for your work!
With best regards,

Ivana Slavkovic
